1) Sanction of cost is sought to the resolution
of the Corporation dated 8.3.56 approving the
formation of Project Sub Division in the
Engineering Department of the Corporation, for
clearance of plans and formation of layouts
on a planned basis within the Corporation limits.
This Special Sub Division is to consist of the
following —

x 'H'

- 1) one Asst Engineer - in grade Rs 250-25450
+ DA Rs 50/- C.A. Rs 75 and
Highness Allowance Rs 378
- 2) Four graduate surveyors in grade Rs 150 10 200 +
C.A. Rs 30/ and D.A. Rs 35/
- 3) one Asst. Draftsman in grade Rs 40-2 1/2-50/EB 5-100
+ D.A. Rs 23/
- 4) one Tracer in grade Rs 35 2 55 +

entertainment for one year. The Comptroller states that this is a special nature of work and the creation of a Special Sub Division has become very necessary and requests sanction to the Corporation Resolution.

3) The point whether it is not possible with the existing Engineering Staff of Corporation has to be examined, if not, whether there is such a volume of work in this behalf as to require the above detailed additional staff ^{and since how long} requires consideration, details of works which are essentially to be done, are to be mentioned, to know the volume of work justifying the entertainment of the additional staff proposed now. Further whether the Corporation can bear this heavy expenditure on this account, in view of its heavy commitments towards discharge of loans already taken etc has to be made clear, in fact the cost is proposed to be met out of ~~Rs~~ Rs 10,000/ provided in the current year's budget, while its entire cost is Rs 25,500/ per year.

4) For orders The PW Sectⁿ will also be consulted

- to attend to the following works, -
- (a) details survey work + preparation of plans + estimates for slum areas,
 - (b) preparation of layout plans in respect of the areas belonging to private parties
 - (c) formation of parks, playgrounds + circles

Before the question is considered, information may be called for as to the existing staff with details as to the ^{sub} divisions, the ~~best~~ volume of work attended to by each sub-division for the last three years and ~~also~~ whether each sub-division ^{increased} cannot cope with the work in its respective area, having regard to the nature of work proposed to be ^{taken up} ~~executed~~.

- 5) The Corporation has now ~~opened its eyes to the~~ ^{reminded to} make a regular 'Survey of slum areas, prepare layout plans + estimates for slum areas. The proposal of the Corp. requires to be approved. But the point is whether it is not possible to re-distribute the work among the existing 3 Assistant Engineers, whose normal duty is to attend to repair work of the roads + to increase to construction of buildings for order

For orders whether the Corporation Commissioner may be requested to examine the desirability of re-distributing the work among the existing Assistant Engineers whose work is less onerous when compared to the Assistant Engineers who are in charge of sub-Divisions in the mofussil parts."

The Secretary, Education & L.S.O. Departments noted as follows:-

" I regret I cannot share the above view. In the matter of quantum of work and the staff required for it, I should say that the matter should be left to the discretion of the Corporation. We have no data to come to a different conclusion. It is stated by the Commissioner that this is a special kind of work and has to be attended to by a special Project Staff. I suggest the following compromise:-

- (a) The nongazetted staff requested for may be sanctioned but with only two surveyors instead of four.
- (b) The question of another Assistant Engineer may be decided in Council after the Commissioner gives a proper picture of the extra workloads involved as between the Asst. Engineer working in the Corporation and the Asst. Engineer proposed."

5) "I may add that the proposal is to grant a duty allowance and a conveyance allowance of Rs.50/- and Rs.75/- respectively. I am for granting a Conveyance allowance alone. There is no special reason for any duty allowance."

"The staff as suggested above may be sanctioned for one year."

6) The Minister for Public Health and L.S.G. has approved of the proposal of the Corporation.

7) Orders No G.O.L.2326-32/CH.50-55-7 dated 9-5-1956 regarding non-gazetted staff on pay below Rs.500/- have been issued and the post of the Assistant Engineer has to go before the Council for sanction.

8) The point now for orders is to sanction the creation of the post of an Assistant Engineer in grade B.250-25-450 Plus a Duty Allowance of Rs.50/- plus a Conveyance Allowance of Rs. 75/- plus a High Price Allowance of Rs. 37-8-0, for a period of one year for the Corporation of the City of Bangalore.
